

Do You Need Assistive Technology?

We Can Help!

National Disability Institute (NDI) can provide affordable loans to help people with disabilities purchase the assistive technology that best meets their needs.

What is assistive technology?

Assistive Technology are products or devices that can improve your independence and quality of life.

Examples include:

- Accessible bathrooms
- Computer equipment
- Hearing aids
- Modified vehicles
- Scooters/wheelchairs
- Smart home technology
- And more!

If you are a resident of New York or New Jersey, you may qualify.
