Captioning

- Real-time captioning is provided during this webinar.
- The captions can be found by clicking on the “cc” button in your Zoom controls at the bottom of the screen.
- If you do not see the captions after clicking the button, please alert the host via the chat box. You may also view captions in your browser at streamtext.net/player?event=NDI.

Submitting Questions

- Please use the Q&A box to submit any questions you have during the webinar and we will direct them accordingly.
- If your question is not answered during the webinar, or you are listening by phone and not logged in, you may email hprice@ndi-inc.org.

Technical Assistance

- If you experience any technical difficulties during the webinar, please use the chat box to send a message to the NDI Host or email hprice@ndi-inc.org.
- Please note: This webinar is being recorded and the materials will be placed on the National Disability Institute website in the [CDICD Webinar Archives](#).

National Disability Institute (NDI)

NDI is a national nonprofit organization dedicated to building a better economic future for people with disabilities.

NDI is the first national organization committed exclusively to championing economic empowerment, financial education, asset development and financial stability for all persons with disabilities. NDI affects change through public education, policy development, training, technical assistance and innovative initiatives.

Visit nationaldisabilityinstitute.org.

Center for Disability-Inclusive Community Development (CDICD)

The Center for Disability-Inclusive Community Development, managed by National Disability Institute, is working to build the awareness that people with disabilities are a part of all communities and the needs of the disability community need to be a part of community development activities.

Keys to Financial Inclusion Season 2 – CDICD Podcast Series

Episode Release Date: July 15, 2021

Promoting Inclusive Community Development – A Conversation with Lael Brainard

Lael shares her thoughts on what inclusive community development looks like, and the financial challenges facing families today. Discover how policy makers, regulators, foundations, nonprofits and businesses can work together to promote greater equity and inclusion, particularly as it relates to persons with disabilities.

podcast series

Learn more
about CDICD

“I think banks need to see inclusion as a core part of their strategies... A lot of bankers...understand that by providing products and services that are accessible to all members of their communities, they lift up those communities, they make them more vibrant and more resilient...”

Governor Lael Brainard, Federal Reserve Board
